WE ARE HVAC SOURCING SPECIALISTS

NBK offers complete sourcing services. You can rely on our expertise for your entire procurement process. From specification through integration into your supply chain, NBK parts walks you through every step of your global outsourcing project. Our many years of expertise means we understand the challenges involved. You will seamlessly navigate the process with us as your lead.

As your partner, from beginning to end, we will review your costs, requirements and specifications to determine what we can source for you from where. We work with the best vendor for your category, driving the negotiation and contract process for you.

You have standards, as do your stakeholders. We reduce your risk by making sure the selected manufacturing process satisfies your standards for corporate social responsibility, international corruption legislation and sustainability.

All items sold by NBK Parts are warranted against defects in workmanship or materials under normal use for a period of one (1) year. Products are covered for up to a maximum of two (2) years from the manufacturer's date code on the product or one year after installation, whichever comes first.

Disclaimer:

NBK Parts is an independent supplier replacement parts and is not affiliated with most manufacturers mentioned in this catalog.

Original equipment manufacturer (OEM) names are the trademarks of each manufacturer.

All blowers, motors, and other products are "equivalent" or "replacement," items. OEM names and part numbers are for reference only.
